

# Dog Bite Prevention Presentation

Caledon Community Centre (map attached)  
Saturday, May 24th at the [Caledon Community Centre](#)  
from 11 am until 3 pm.

**ANML-RESQ** will be hosting our first-ever Bite Prevention Seminar. We will be hosting this event BEFORE the school year ended and the kids are out and about playing. We feel the more education you and your children receive about preventing bites, the safer they can be.

The Seminar will be presented by Renee Robins, ACO., of the [Owen Sound Animal Shelter](#). Renee is a very accomplished speaker and her presentations are both educational and fun to attend.

A few subjects to be discussed at the Seminar are:

- Keep yourself, your family, children and pets, bite free
- How to avoid being bitten
- Know the signs of danger
- What to do if attacked by a dog

All ages are welcome AND encouraged to participate in this interactive presentation (people only please ... no pets this time).

The Seminar will be held on Saturday, May 24th at the [Caledon Community Centre](#) (.pdf) from 11 a.m. until 3 p.m. There will be light refreshments available for lunch and, of course, raffle, draws and prizes!

More information will be available on our website [www.furkidsrescue.ca](http://www.furkidsrescue.ca) in the coming days, but PLEASE mark this very important day on your calendars. I hope to see you all on May 24th!!

Tickets available on-line or at the door at time of the presentation

Prices:

Adults \$20.00

Children \$5.00

Family of 4 for \$35.00

**An interactive learning workshop for everyone.  
Keeping people and pets safe!**
